REMARKS PERTAINING TO THE FOLLOWING SUPPLEMENTAL AMENDMENT

The Applicant previously submitted a timely filed amendment on December 30, 2005, in response to the Examiner's Action mailed October 4, 2005. The amendment was recognized as not fully responsive since the Applicant did not respond to the 35 U.S.C. §112, second paragraph rejection of Claims 73 and 85. In response, the Applicant resubmits the previous response with Claims 73 and 85 now amended to address the rejection. No other substantive changes were made to the previous amendment and no charges should be due at this time.
